eliminate that. They will only do once and it will not be given again.

SENATOR KEYES: And now, Senator Carsten, I' on your side. Don't be getting excited.

SENATOR CARSTEN: I don't know if you are or not, Senator Keyes.

SENATOR KEYES: Well I am on your side if you are trying to cut down spending, not when you try to increase it. Now this nine times a year, they are not going to be able to get that, huh?

SENATOR CARSTEN: Only what they request they will be given.

SENATOR KEYES: They request...

SENATOR CARSTEN: That is right.

SENATOR CARSTEN: That is right but only once. Once they make the request for a period of time, whenever that is, a month or six months or whatever, once they get that information for that period of time, they will not reissue it the second time.

SENATOR KEYES: Thank you, Senator Carsten. It seems to me like what Senator Carsten is trying to do is what I completely tried to do and failed so I would ask that you support what Senator Carsten is going to do because we are going to cut down some and any time we cut down spending off of the property taxes it is the best thing that ever happened in this state.

PRESIDENT: The Chair recognizes Senator Nichol.

SENATOR NICHOL: Mr. Chairman, I would like to ask Senator Carsten a question please and that is this, Senator Carsten.

PRESIDENT: Senator Carsten, will you respond?

SENATOR CARSTEN: Yes.

SENATOR NICHOL: For those entities that really want to know, they can find that out now and usually do know. Don't they?
